

AVOID PARKING DELAYS!

Park Global to Fly Local

A new car park is being built at Brisbane Airport's Domestic Terminal and while we're working hard to manage construction around our thousands of passengers, delays can occur.

To avoid weekday delays in this busy precinct, why not park at the International Terminal next time you fly. It's an easy choice with a **free bus** transfer right to the Domestic Terminal.

Park International next time you fly Domestic and enjoy the benefits:

- Easy access from Airport Drive or Moreton Drive
- Over 1,700 car parks, guaranteed undercover and close to the terminal transfer bus stop
- No queues, no diversions, no delays
- 24-hour security
- Park for 7 days for just \$99.00
- **Free bus** – just show your parking ticket to the bus driver
- **Free bus** – 7 days per week, every 20 minutes. On time – every time
- Bus stops located right outside Domestic Terminal doors for Qantas and Virgin Blue
- When you're back, simply go to the same bus stop and within minutes you'll be in your car on your way home.

Yes – it's that simple. Allow extra time and try it next time you fly.

About the Domestic Terminal's new car park

A new multi-level car park with over 5,000 parking bays will open at the end of 2011. Then, combined with other parking within the precinct, there will be over 9,000 bays to choose from. All within easy walking distance of the Terminal.

AVOID PARKING DELAYS!

The **free bus** – it's bright orange – departs every 20 minutes from Level 2 of the International Terminal, between 5:10am and 10:50pm, every day.

The journey to the Domestic Terminal is approximately 10 minutes.
